

PHENYLPROPANOID BIOSYNTHESIS

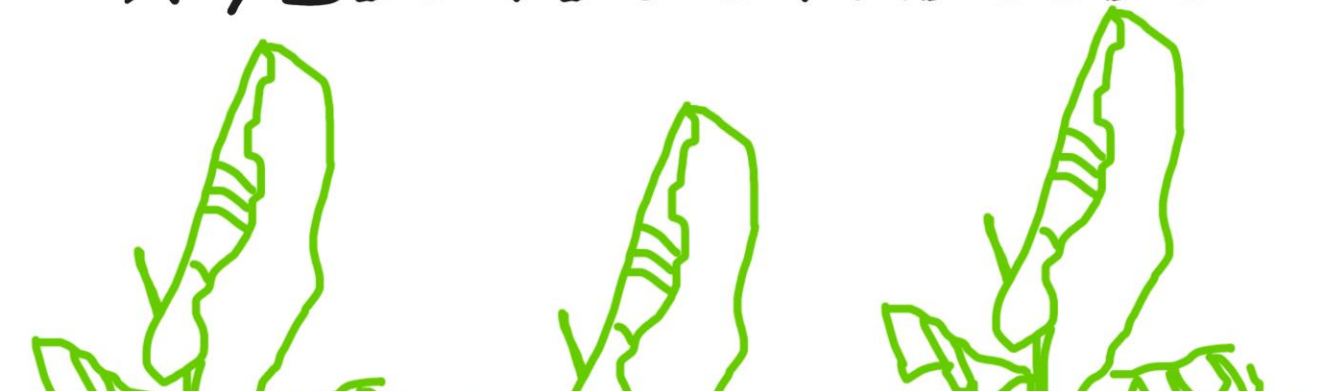

<https://www.kegg.jp/pathway/mapno=00940&category=Musaceae>

caffeic acid 3-O-methyltransferase /
acetylserotonin O-methyltransferase
[EC:2.1.1.68 2.1.1.4]

4-7/BIOLOGIC STRESSES

A diagram showing three banana plants growing in soil. The soil is represented by brown patches. Below each plant, there are several small, colorful squiggly lines (blue, yellow, orange, red) that represent biological stresses such as fungi or insects. A large black circle with the number '3' is in the bottom left corner.
